Subject:

**Athletic Uniforms and Supplies** 

On March 22, 2023, our Purchasing Office broadcast via DemandStar to fifty-two (52) vendors, five (5) of which have identified themselves as Small Business or Minority Owned for the procurement of Athletic Uniforms and Supplies. Our legal requirement to advertise was satisfied through notices placed in *The Daily Southtown and on DemandStar*. We had four (4) responses, one (1) of which was rejected due to their inability to provide product and poor communication for last year's bid items. A public opening was held on April 17, 2023 at 10:00 AM with the results being read aloud. A breakdown of the bids is attached.

The College has done business with the successful vendors and found all experiences to be satisfactory or have received satisfactory references. We, therefore, recommend acceptance of the bids in the amount of \$95,112.48 for the purchase of athletic uniforms and supplies as follows: \$710.10 to School Health, Rolling Meadows, IL; \$66,850.43 to Lansing Sports, Lansing, IL; and \$27,551.95 to BSN Sports, Dallas, TX.

# MEMORANDUM OF UNDERSTANDING BETWEEN SOUTH SUBURBAN COLLEGE AND SOUTH SUBURBAN COLLEGE FACULTY ASSOCIATION

This Memorandum of Understanding ("MOU") is entered into on the 11th day of May, 2023 by and between the South Suburban Community College District No. 510, Cook County, Illinois (hereafter the "COLLEGE") and South Suburban College Faculty Association (hereafter "SSCFA").

Whereas, the COLLEGE has been unable to recruit and retain qualified instructors in various vocational career disciplines and departments to teach the required courses;

Whereas, the COLLEGE and the SSCFA agree that the current negotiated requirement of the tenure and teaching load does not reflect the obligations and expectations of the positions and is significantly contributing to the recruitment and retention of qualified instructors.

NOW, THEREFORE, IN CONSIDERATION OF THE PREMISES, it is agreed between the COLLEGE and the SSCFA as follows:

- 1. The Negotiated Agreement between the College and the SSCFA shall be revised as follows:
  - a. Add the position of *Career Training Instructors*. For the 2023-24 academic year, these positions will apply to Barbering, Cosmetology, and Solar instructors. Any additions or deletions would have to be agreed upon by the College and the SSCFA in a separate MOU agreement.
  - b. Section 6.17: The normal load for *Career Training Instructors* shall be 35 hours per week. This 35-hour schedule shall include teaching 30 hours of credit courses in specific career disciplines, and 5 on campus office hours.
  - c. For hours worked beyond 35 and for summer instruction, *Career Training Instructors* shall be compensated in accordance with the overload and summer schedule.
  - d. **Career Training Instructors** shall be compensated according to the agreed upon salary schedule included in the Negotiated Agreement, with placement determined based upon professional qualifications and previous instructional experience. Dear Dr. Jones,

Please accept this letter as formal notification that I am resigning from my position as a Summer Bridge First Year Experience Program Coordinator with South Suburban College. My last day will be May 18<sup>th</sup> 2023.

Thank you so much for the opportunity to work in this position for the past 9 months. I've greatly enjoyed and appreciated the opportunities I've had to work with students 1:1 and work with a great team. I've learned how to run and organize the program as well build stronger relationships with students and community members all of which I will take with me throughout my career.

During my last two weeks, I'll do everything possible to wrap up my duties and train other team members if needed. Please let me know if there's anything else I can do to help during the transition.

I wish the program continued success, and I hope to stay in touch in the future.

Sincerely,

Daisy Lozano

Subject:

Perkins Grant- Reduction in Force

The college recently received our FY2024 Federal Postsecondary Perkins Allocation from the ICCB. The college's allocation was significantly reduced by \$180,782. This represents an almost 40% decrease in funding. The allocation is based on the total number of students who were enrolled in and students who completed a Career and Technical Education (CTE) program in FY22. According to the ICCB, the reduction is a result of the general downward trend in the CTE Pell count, mainly due to the pandemic, coupled with some internal data reporting restructuring by the college.

The college has already been working aggressively to develop new CTE programs and implement innovative marketing strategies to attract and retain new CTE students. We are confident that our post-pandemic CTE Pell count will improve. However, given the significant reduction in funding I am recommending a reduction of workforce that will not negatively impact direct services to students and the academic programs. The RIF will directly impact the position of Grant Manager for Perkins//CTE Programs. As the Chief Academic Officer, I will be working with the Academic Dean to ensure that there is no disruption of services and that we maintain compliance with all of the grant's rules and regulations.

Please do not hesitate to contact me directly should you have any questions or need additional information.
