

# SOUTH SUBURBAN BARBER COLLEGE

## **Barbering Associate in Applied Science (BAR.AAS)**

The Associate in Applied Science of Barbering Degree offers students hands on training in the art, skill, and science used in the barbering business. This includes the design of hair, facial shaving, chemical services for hair, installation of temporary hair pieces, salon operations, and barber license review. The program meets the standards of the Illinois Department of Finance and Professional Regulation (IDFPR) in total hours, teaching staff, equipment, facilities, libraries, and course content.

The AAS in Barbering will give students the critical thinking skills and educational background to advance in the field of barbering.

## **Barber Technician Certificate (BAR.CERT)**

The Barber Technician Certificate offers students hands on training in the art, skill, and science used in the barbering business. This includes the design of hair, facial shaving, chemical services for hair, installation of temporary hair pieces, salon operations, and barber license review. The program meets the standards of the Illinois Department of Finance and Professional Regulation (IDFPR) in total hours, teaching staff, equipment, facilities, libraries, and course content.

Students are required to complete a specific number of hours in the Barber College Salon. Once students have completed all coursework and laboratory hours, they are ready to sit for the licensure examination through the IDFPR. Students must be licensed in order to practice Barbering in Illinois.
